POLICY ON ENCOURAGING GREEN PRACTICES

St Joseph's College of Education, Mysuru is a quality conscious college. It protects its own environment with its green campus initiative and gives pollution free campus. Every year during rainy season, we do tree plantation and carefully look after it. Our campus is plastic free campus and there are many special programs under taken by our college which would help the students to understand and work in the field of environmental conservation.

POLICIES

1. Used plastic and paper should be collected and segregated to be handed over to scrap dealers.
2. Instead of discarding unused sheets of records, deposit it in a common area and eco club students prepares note pads out of it.
3. Maximize the use of ICT and minimize the use of paper, it will be helpful to go towards "paperless office".
4. Protecting and nurturing the Flora and Fauna on the campus.
